

HOW THE SWARM WORKS

1) Receive **SWARM** alerts on your cell phone

Example: **SWARM ALERT ... ZUMZ ... PSS**
Where ZUMZ and PSS are the stock symbols.

2) Login to your online brokerage account

3) Place your Trade (Actual Example)

How much should I trade?

We recommend a minimum of \$1000 per trade. This is entirely up to you.

How do I know when to sell?

Remember, the trend is your friend! Simply wait until you reach your target. We recommend placing a stop loss at 5% - 10% based on your comfort level.
